Test 2

A Read and choose the sentences.

Why the Incas built the city

The site might have been used for training Inca Sun Virgins.
Machu Picchu might be a spiritual site of sacred rituals.
Machu Picchu may have been a country retreat for Inca nobilities.

Theory 1 Some said there were many more female bones than of males.

_____

Theory 2 Human bones and other remains indicate that there were various metal workers and potters.

_____

Theory 3 It has many structures that might be used for the rituals.

_____

B Choose and complete the sentences.

by Pachacuti Inca Yupanqui, the ninth emperor of the Inca
makes it seem to be in another world
a design similar to a sun temple found in Inca capital
it is still unclear why they built the city
and there were lots of children as well as elders

1. It is believed that Machu Picchu was built _____ _____.
2. Since the Incas left no writing records, _____ _____.
3. Others said the ratio of men and women was closed to equal, _____ _____.
4. One of them, the “Temple of the Sun” has _____ _____.
5. Its location up in the clouds certainly _____ _____.

Summary Make up

Choose and complete the summary.

warehouses / training / retreat / royalty / spiritual / equal / rituals / ninth

Introduction The two areas of Machu Picchu :	Machu Picchu was built in the Inca Empire around 1450. It is divided into two areas. The upper area might be the place for _____ and temples. The lower area might be for workers and _____. There are some fields for growing crops.
Body Who built Machu Picchu : Why the Incas built Machu Picchu : Theory 1 Theory 2 Theory 3	It is believed that Machu Picchu was built by Pachacuti Inca Yupanqui, the _____ emperor of the Inca. Since the Incas left no writing records, it is still unclear why they built the city. Some said there were many more female bones than of males. So, the site might have been used for _____ Inca Sun Virgins. Others said the ratio of men and women was closed to _____, and there were lots of children as well as elders. Human bones and other remains indicate that there were various metal workers and potters. Therefore, another theory is that Machu Picchu may have been a country _____ for Inca nobilities. Machu Picchu might be a _____ site of sacred _____. It has many structures that might be used for the rituals.
Conclusion	Its location up in the clouds certainly makes it seem to be in another world. What do you think the Incas built a city in a high mountain?
