Test 2

A Choose the words and fill in the blanks.

CPR / back from / allow / fell down / several / for help

1. He _____ on the ground.
2. These people _____ us to live comfortably and safely in this society.
3. Though he had _____ broken bones, she saved his life.
4. One day his father and he were driving _____ a shopping mall.
5. With his help, his mother could know their location and called the police _____.
6. At that time, a woman named Maureen ran to help and did _____ on his chest.

B Choose and complete the sentences.

because of his heart problem
they didn't know what to do
to get his heart beating again
was taken to the hospital

1. Everyone was very surprised and _____.
2. He _____ and became healthy.
3. She did CPR _____.
4. His father suddenly fainted _____.

Summary Make up

Choose and complete the summary.

heart problem / broken / safely / beating
stuck / signboard / learned / surprised

Introduction	There are many people who are very brave around us. These people allow us to live comfortably and _____ in this society.
Body	Ian, 8 years-old, was hit hard by a baseball. He fell down on the ground. Everyone was very _____ and they didn't know what to do. At that time, a woman named Maureen ran to help and did CPR on his chest. With her help, his heart beat again. He was taken to the hospital and became healthy. Without her help, Ian couldn't live. Lauren, 22 years-old, found her father _____ beneath his car in the garage. She thought her father could die. So she lifted the car with her super power and pulled him out. She did CPR to get his heart _____ again. Though he had several _____ bones, she saved his life. Danny, 5 years-old, had recently _____ the alphabets at school. One day his father and he were driving back from a shopping mall. His father suddenly fainted because of his _____. Danny called his mother for help. She asked him where they were. Danny tried to read the _____ on the street and read the alphabet letters. With his help, his mother could know their location and called the police for help.
Conclusion	Do you think you are also brave like these people? Have you ever helped any other people?

3. They _____ and decide on how to use budgets.
4. This fund raising campaign is for the kids who live _____ _____.

Summary Make up

Choose and complete the summary.

budgets / invaluable / representatives / contribute
disease / poverty / identical / funds

Introduction	After World War II, European children faced hunger and _____. UNICEF was created in December 1946. It was made by the United Nations to provide food, clothing and health care to them.
Body	UNICEF's headquarter is in New York and each country office carries out UNICEF's mission through an _____ program. Regional offices guide this work and provide technical help to country offices as needed. UNICEF provides long-term help to children and mothers in developing countries. It promotes children's rights by raising _____ and selling UNICEF greeting cards and products, and provides other _____ support. UNICEF is supported entirely by voluntary funds. Governments _____ two thirds of the resources; private groups and some 6 million individual donors contribute the rest. Guiding and monitoring all of UNICEF's work is done by a 36-member Executive Board of government _____. They establish policies, approve programs, and decide on how to use _____.
Conclusion	Among many campaigns "Trick-or-Treat" for UNICEF began in 1950 for helping kids who need more than candy. Since then, children all over America have gone door-to-door on Halloween with UNICEF collection boxes, calling out, "Trick-or-Treat for UNICEF!" This fund raising campaign is for the kids who live in countries of _____, war, or natural disaster.
